

**COURSE EQUIVALENCIES****PHILAU CENTER FOR ARCHITECTURE, INTERIOR DESIGN & FASHION STUDIES at UARC****Please Note the Following:**

The following courses are available to students studying at UARC. Most of these courses will be offered every semester, however it should not be assumed that ALL of these courses will be available during your semester abroad, as courses are sometimes cancelled due to low interest/low enrollment. Please consult with your academic advisor before you select courses from the list below.

In those cases where courses have two equivalencies listed, you must decide which equivalency best suits your academic needs, and clearly indicate which equivalency you want on your course authorization form.

Interior Design students are permitted to take 15 to 18 credits; ARCH, GD & Fashion students will be enrolled in 12 to 15 credits.
